

SCHOOL FUN RUN

ATTENTION PARENTS/CARE-GIVERS!!!!

8.11.18

It is finally here.....

Yesterday your child/ren were given their School Colour Fun Run Information and Fundraising pack. Please take some time to read all the information and help your child set-up their online fundraising profile which is required for ordering prizes regardless of whether you are fundraising online or in cash.

Best of luck with your fundraising efforts. There are some awesome incentives on offer for the children, and remember that our Target is \$10,000. The profit will be going to some very worthy projects including Nature Play, Kitchen Garden, Loose Parts Play Pod and I-pads. Any contribution that you can make will be greatly appreciated.

Hope to see you there on Friday 7th December, starting at 1.30pm on the top oval.

Remember.....we are here if you require assistance or do not have access to a computer.
