

Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

to ensure their safety while travelling

so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

If a student has a legitimate reason to bring their mobile phone or have a personal device at school it is a requirement that they be handed in to the class teacher at the beginning of the day to be placed in secure storage in the classroom

If the student does not comply

- students will receive a warning and be asked to hand in their phone as per the WPS policy. If a student repeats this behaviour parents will be notified.

Roles and responsibilities

Students

Parents

Support the implementation of the school's policy, including the consequences for non-compliance with the policy.

For safety reasons it is necessary for my child to carry a personal device to and from school. I understand and support the policy that my child will hand their phone in to their class teacher at the beginning of the school day and collect it at the conclusion of the day.
